On-Line USS Canberra Museum

The on-line USS Canberra Museum, that pertains to both the CA-70 and the CAG-2, has been up and running for well over 2 years now.

Gordon Peck, the son of Ralph Peck, one of our WWII shipmates, has been responsible for getting it up and on line and is responsible for its updating.

If you have any photos, items or stories regarding you or someone that served on the Canberra, he'd love to share them with the world.

You can contribute by taking a photo of an item, scanning a document or writing an article and sending it to him by email.

Please include a brief description, including the person's name, date (if known) and current location of the photo or document.

His email is: gordon@usscanberramuseum.org
